

Chisapani Nagarkot Hiking

Introduction

This trip is designed to provide you a unique opportunity to explore the myriad wonders of nature, rural Nepal and the awe inspiring majesty and beauty of dramatic mountain views. Your first destination is Chisapani where you will be enjoying the real boon of nature being away from the clamor of city and your interaction with the villagers will add another experience. Nagarkot is a popular tourist hill at an altitude of 2175m. The sunrise viewed from this hill present you the ever-refreshing memory of the majestic panoramic view of the Himalayan ranges from Dhaulagiri in the west and Mt. Everest in the east.
